

A Note from the Director:

I would like to welcome all our new and returning families to KPS! We are so happy and humbled that you have chosen KPS as your child's introduction to school.

We value and appreciate your trust in us as we begin the important responsibility of instructing and caring for your precious "little ones." We want you to know, we take the care and safety of your child very seriously!

The teachers and I are looking forward to getting to know you and your child in the weeks ahead. Our sincere hope and desire is that you and your child will enjoy their preschool experience while attending Kensington Community Preschool.

We are sure you will see various changes in their growth and development as they learn to socialize appropriately with their peers, explore and discover their world, and become more independent and self-sufficient. All are valuable gifts to a preschooler while experiencing fun learning through play.

I encourage you all to watch the Orientation video which explains so much of our policies procedures. I emailed that link out to our parents earlier this month. If you need it forwarded to you again, please let me know, and I will most certainly get it to you.

Welcome again and as always, if you have any questions or concerns, please don't hesitate to contact me at any time. Happy School Days!

Sincerely,
Connie Cleland, KPS Director
